From the first crash at the Towers to a last goodbye at Ground Zero, *110 Stories* takes us through 9/11 as told by those who were there. Based on interviews, this docu-play weaves together stories not shown on the news, from people we can relate to...a mother, a photojournalist, an ironworker, a chiropractor, and a homeless man who saved lives that day. Their unflinching, freaked-out and occasionally

funny accounts take us back to when 9/11 was unimaginable, capturing the shock and horror of the day as well as the resilience of New York City in its aftermath. Remaining apolitical, *110 Stories* memorializes September 11th by humanizing history to reveal our innate compassion. **Production Note: Adult Language for this production.**

Hello theatre friends, just want to give you a few updates. As you can see with this newsletter we have many activities and opportunities available with the Newton Community Theatre. An apology for the late arrival of your last newsletter. The newsletter was processed in time, however there was a holdup with the bulk mailing system. In the future the newsletter will be mailed earlier, so please take note of when the box office will be staffed. You are always welcome to call anytime, but ticket confirmation will not be received until the box office is staffed. Hope you all have a great month! Thank you, Sue Beukema
