Iowa Community Theatre Festival Entry March, 2017

By: James McLure

Directed by John Dougan

Parts Available: 3 men

Audition: NCT Basement, November 7 & 8, 7:00-8:00 PM

Three G.I.s recovering from Vietnam injuries while away their time on the terrace of an Army hospital. Gately, a hillbilly, fiddles compulsively with a disemboweled radio; Silvio, a streetwise, big-city type, while Natwick, a prissy "rich kid" from Long Island, writes letters to his mother telling her how much he wants to become a close friend of Gately. The play blends these into a meaningful mosaic as the three tease, torment, entertain, exasperate and, on occasion, solace each other—maintaining throughout a hilarity, which belies their deep concern about the uncertainties of the civilian world to that they will soon be returning.
