One of the most popular Disney movies of all time is capturing hearts in a whole new way: as a practically perfect musical! Based on the books by P.L. Travers and the classic Walt Disney film, *Disney and Cameron Mackintosh's Mary Poppins* delighted Broadway audiences.

The jack-of-all trades, Bert, introduces us to England in 1910 and the troubled Banks family. Young Jane and Michael have sent many a nanny packing before Mary Poppins arrives on their doorstep. Using a combination of magic and common sense, she must teach the family members how to value each other again. Mary Poppins takes the children on many magical and memorable adventures, but Jane and Michael aren't the only ones upon whom she has a profound effect. Even grown-ups can learn a lesson or two from the nanny who advises that "Anything can happen if you let it." *Mary Poppins* is an enchanting mixture of irresistible story and unforgettable songs.

***A Moment in Time* – Tuesday, March 26<sup>th</sup> at 7:00 PM**

A family in the midst of divorce has come to the emergency room of a hospital where the son, Kevin, is hovering between life and death after an automobile accident. As the splintered family waits together, uncomfortable facts about Kevin's pre-accident behavior begin to emerge, suggesting that, in fact, the accident may have been a suicide. This is a play that will deeply concern your audience, and perhaps some of them will start recognizing questions at a time when it is still possible to find answers.
